Colour & Lower Lashes!

Top and lower eyelash extensions!

Ginny recently completed the advanced training at Lash Perfects flagship store in Carnaby Street, London and is now one of only a few advanced eye lash technicians in this area. She is now able to offer some exciting new eye lash treatments.

Coloured lashes are taking London by storm and are far more popular there than black lashes. Why not try a set of Coloured lashes. Colours are available in green,

purple, blue and wine. These lashes look amazing but are still very natural looking. The base of the lash is dipped in the black glue so you still achieve the black defining look at the base of the eyelid but the tips of the lashes flash the colour. Clients who have tried the coloured lashes are converted. Coloured lashes cost £55 for a full set.

If you have a really special occasion on why not get your lower lashes done as well as

the tops. Lower lashes look really natural and are very easy to apply in half an hour and cost £15.00.

Mink Lashes give a really dramatic effect for those wanting a really glamorous look, They come in different lengths in black and have a really glossy look to them. A full set costs £55.00.

A full set of coloured, mink or black lashes takes one & a half hours to do and is really relaxing. Many clients fall asleep during the treatment!
